The Takeaway

Train tutors anytime throughout the year.

1. Research shows that tutees benefit from working with tutors who are better trained and prepared for sessions.
2. Provide engaging online tutor training videos 24/7.
3. Deliver consistent content using subject matter experts.
4. Our trainings, developed in partnership with CRLA, meet CRLA Level 1 certification requirements.

Our tutors have consistently told us how useful they have found the videos; even seasoned tutors who have watched them for the first time have remarked that they wished they had had access to these videos when they were starting out.
